Dear Parents and Families,

In compliance with the requirements of the Every Student Succeeds Act (ESSA), Arapahoe Charter School would like to inform you that you may request information about the professional qualifications of your child's teacher(s) and/or teacher assistant(s). The following information may be requested:

Whether your child's teacher—

- has met North Carolina licensure requirements for the grade levels and subject areas in which he/she provides instruction;
- is teaching under emergency or other provisional status through which the North Carolina licensure criteria have been waived; and
- is teaching in the field of discipline of his/her certification.

Whether the child is provided services by teacher assistants and, if so, their qualifications.

In addition, ESSA requires all schools that receive Title 1 funds to notify parents when their children are being taught by a teacher that has not met North Carolina licensure requirements.

Arapahoe Charter School is committed to providing quality instruction for all students and does so by employing the most qualified individuals to teach and support each student in the classroom. If you wish to request information concerning your child's teacher's and/or teacher assistant's qualifications, please contact Cody Edwards at cody.edwards@arapahoecharter.org.

Sincerely,

Chris Watson
Chief Executive Officer
